Blue Valley North Boys Basketball

Guidelines for Team Selections

The Blue Valley North Boys Basketball program takes their team selection process very seriously. We search for student athletes who will benefit the program in numerous ways. The following guidelines are considerations that we consider when making player selections for the boys' basketball program.

Skill

The fundamentals of the game of basketball to include:

1. Offensive skills such as shooting, passing, ball handling, rebounding, screening, reading the defense, and footwork.
2. Defensive skills such as on-ball defense, defense one pass away, helpside, defending screens, closing out, challenging shots, and boxing out.

These skills will be evaluated by the coaches in scrimmages and drills.

Physical Talent

The coaching staff will look for players who possess speed and quickness with both hands and feet, strength, jumping ability, agility, and coordination.

Selection by Positions

There are only a certain number of positions available on a team. Generally, point guards (2), off guard/small forwards (4-5), and posts (2-3).

Remaining Years of Eligibility

If two players are equal in ability, the younger player may benefit the program most as he will have additional years to improve.

Knowledge and Instinctiveness For The Game

Our staff looks for players who demonstrate basketball savvy and court awareness by knowing what to do and when to do it. We want players who have knowledge of the rules and strategies of the game within the concept of teamwork.

Coachability

We want players with the ability to accept coaching. Will you listen to instruction, redirection, and criticism with the intent to learn and improve? Will you accept the decision of the coach and keep the good of the team in mind?

Attitude

BVN players need to have a positive, team first attitude. They are working toward individual improvement and achievement in an effort to strengthen the team.

Desire, Work Ethic, and Poise

BVN players need to have the ability to demonstrate competitiveness with emotional control. You must consistently work hard and push yourself everyday toward your full potential.

Self-Discipline

Be able to use good judgment and be responsible for your own actions on and off the court remaining drug, alcohol and tobacco free. You need to be dependable and responsible.

Team Player

You should be an individual who will benefit the team most by accepting, respecting and supporting your teammates and working toward the goals established by the team. Individual recognition, scoring and playing time is a secondary result of being a team player.

Attendance/Academic Performance

Regular attendance in all classes and maintaining academic standards set by the district are important requirements of all team members. Athletes with irregular attendance and/or questionable academic performance may receive less consideration when coaches evaluate athletes of similar talent.

Citizenship

You are expected to be a positive representative of your team, school and community through your actions as a citizen, student and athlete.

Squad Size Considerations

Junior Varsity/Varsity- Generally 18-20 Players

Sophomore- Generally 10 Players

Freshmen A- Generally 10 Players

Freshmen B- Generally 10 Players

Fees:

If you make a team, we will ask to purchase some items for the season- practice jersey, warmup, and possibly a few more items depending on what team you make. There will also be a fee for some game day meals, snacks, etc. The cost of this will vary between teams but will be between \$100-\$150. There will also be spirit wear items for the players and families to buy.

NO Team Shoe Order This Season

Your shoes for the season need to be BVN colors- white, grey, navy, or black. Do not purchase shoes with neon colors or non-BVN colors.

Other Information

- KSHSAA Buffer Week is Nov 7-14. No conditioning or training allowed that week. The weight room and gym at BVN will be closed after school.
